

INTERCULTURAL DIMENSIONS

*"If your actions inspire others to dream more,
do more and learn more, you are a leader."*

Fostering leadership skills, tolerance and social harmony in Dipsites and setting out to make a difference Delhi Public School, Indore announces the collaboration with AFS Intercultural Programs, India.

AFS is an international, voluntary, non-governmental, non-profit organization, that provides intercultural learning opportunities to help people develop, the knowledge, skills and understanding needed to create a more just and peaceful world.

Intercultural competence helps students become more flexible and emphatic. It offers diversity and enables them to acquire knowledge to interact in a global challenging world.

Hence, grabbing this golden opportunity to give our learners the best platform we are elated to be an **AFS INDIA MEMBER SCHOOL** Validity: July 2020-June 2021.

International learning propels students towards acceptance and understanding of an array of different cultured and community persecutes we are looking forward to our students getting an exposure to multi-faceted approach of learning.

Participating in various exchange programs and being a part of activities at national and international level is a gateway to personal development. It would definitely help the students to foster skills like team work, time-management, problem solving analytical thinking and above all leadership.
