**ANNUAL
REPORT**

2024

Laying the foundation of excellence

Principal's Message

'Coming together is a beginning, staying together is progress, and working together is success.'

It fills my heart with immense pride and joy to pen my first message for the Annual Report of DPS Nipania, Indore. The past year has been nothing short of transformative, as I stepped into the vibrant corridors of this esteemed institution, carrying aspirations and dreams of contributing to its legacy of excellence.

From the very first day, I have been overwhelmed by the warmth, support, and unconditional love extended to me by the DPS Nipania family—our dedicated staff, talented students, and supportive parents. Each interaction has reinforced my belief that a school is not merely an institution; it is a nurturing ground where relationships thrive, dreams take flight, and individuals grow together.

Together, we have achieved significant milestones, celebrated successes, and faced challenges with resilience. The dedication and enthusiasm of the staff and students have been my greatest strength, and I am proud to witness their tireless efforts in upholding the values and standards that define DPS Nipania.

This Annual Report stands as a testament to the collective achievements of the past year—a blend of academic excellence, cultural vibrancy, and sportsmanship. It reflects the spirit of collaboration and determination that defines our school community.

As we move forward, my commitment to this institution remains unwavering. I am deeply grateful for the trust and love bestowed upon me and I am committed to fostering an environment that inspires excellence, innovation, and holistic development. Together, let us continue this beautiful journey, nurturing young minds and building a brighter future.

With heartfelt gratitude and best wishes,

Parmindr B Chopra
Principal
DPS, Indore
